

Russian language

I am Victor Ivanovsky. Born and live in Russia since 1967. I photograph since 1990 and teach a photo since 1993. Now I live in Moscow. [E-mail](#)

My galleries

I Need You

Photo of 2005-2008. A few erotic provocations and are a lot of portraits and landscapes of Croatia.

Professional photographing

Portraits, advertising, portfolio for models, photos for the restaurant menu.

Only in russian.

Boudoir stories

Photo of 2000-2005. Photoseries-novels, frequently with very frank sight of the author on our life, including sexual.

Training of a photo

Programs of training of a photo "For beginners" and "Portrait in a photostudio".

Only in russian.

Men And Women Gallery

Photo of 1990-2000. Sexuality, nude, humour and melancholy in photo-art. Under the statement of some people his photo is a "parody on erotica".

Mine blog in LJ

About a photo, teaching, films, music... About all little

Guest of a site

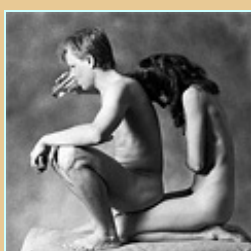

Nude Gallery by Andrey Smirnov. Andrey making photographs of a nude models touched with a shade of his own erotic experiences.

Precipitations

Regular photographic magazine of a Photographic Society Of Velsk. It will be useful both to beginning amateurs and professionals.

Only in russian.

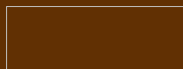

Photoshootings by Irina Velichko. A woman - photographer is a rare phenomenon. Especially, if the woman photographs a nude body. I am glad, that I took part in creating of these perfect works, and I am strongly impressed by some of them.

Dreams About The Women

by metalworker Makaroff. Among all authors presented on 2001photo Nikolay was the only one, who has undergone treatment in psychiatric hospital. Look, how this kind madman sees the nude woman.
